The Nation's Capital was all buzz this 4th of July as 45 Gold Star Wives and Mothers and their families descended on Washington D.C. for **Moms for America's** Gold Star Week and Rally for Freedom. The Rally has now had over 1.3 Million views! See full story on page 2.

This was an amazing 4th of July experience! Thank you for all your hard work.,

*-Barbara,
Gold Star Family Member*

I am grateful that my daughter Kelsey had a chance to share her heart about her brother Kyle and her desire to raise up her "warrior kids" with the principles and beliefs that our country was founded upon.

The Mom Whose Speech Went Viral!

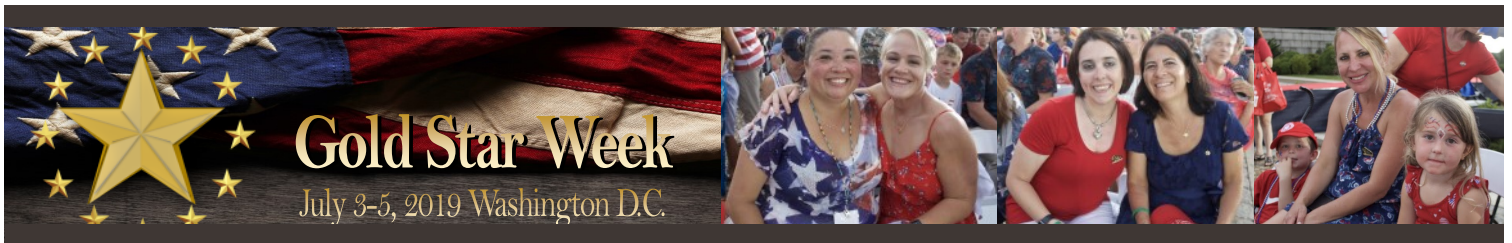

She said what half of America is thinking...

When Amanda Jacobs, Gold Star Mom from North Carolina, gave her [passionate speech](#) we knew it was going viral! Breitbart, livestreamed the event and shared a clip of her speech on their Facebook Page. Within just a few hours the video had gone viral and Amanda was on [Fox & Friends](#) giving a powerful interview with Pete Hegseth. Amanda is a proud member of **Moms for America** and passionate promoter of freedom and the values her son gave his life for.

What an honor and pleasure it was to speak as a gold star mom as part of Moms for America! Thank You for everything you have done, for everything you did to make the 4th of July one of the most special events in my lifetime!

-Margy, Gold Star Mom

Gold Star Week

July 3-5, 2019 Washington D.C.

Moms for America hosted Gold Star Wives, Mothers and their families in a powerful week of connecting and celebrating freedom in our nation's capital, culminating with our Rally for Freedom. The week included a Gold Star Reception and Dinner, Private Tour of the Capitol with Congressman Louis Gohmert and David Barton, a White House Tour and VIP seating at the President's Salute to America 4th of July Celebration. Special thanks to Gold Star Mom, Karen Vaughn for coordinating the White House events, to Jon Voight for believing in us, Phoenix Park Hotel for their exceptional service and hospitality, Breitbart for their outstanding coverage, Congressman Gohmert and David Barton for the best Capitol Tour ever, and our AMAZING TEAM, especially Debbie Kraulidis our Director of Production and Events, for making the entire week a HUGE SUCCESS!

The Rally for Freedom was held the morning of July 4th. Academy Award Winning Actor, Jon Voight, joined us as several Gold Star Wives and Mothers spoke including Amanda Jacobs, the Gold Star Mother from North Carolina whose passionate speech went viral only hours after it was given. Congressional Pledge

While the Rally is over and the Gold Star Families have returned home, our mission to secure the Republic has just begun. We are continuing to reach out to members of Congress to sign the *Promise and Pledge to the America People* on behalf of those who gave all. On September 17th (Constitution Day) **Moms for America** will hold a press conference at the U.S. Capitol with members of Congress to present the Pledge to the Nation.

The Pledge states:

In recognition of the tremendous sacrifices made throughout our nation's history, and in honor of America's Gold Star families who've paid the ultimate price for freedom, I affirm my oath to "support and defend the Constitution of the United States against all enemies, foreign and domestic" and pledge to maintain and promote its standard of liberty for ourselves and our posterity. I further pledge and promise that I will stand firm in the fight to secure our Representative Republic and will do everything in my power to make sure America never becomes a Socialist country.

What an honor and pleasure it was to speak as a gold star mom as part of Moms for America! Thank YOU for everything you have done, for everything you did to make the 4th of July one of the most special events in my lifetime! I especially want to thank you for playing the audio of Kim performing our national Anthem. I can never ever tell you what that meant to me. It brought tears to my eyes then and brings tears to my eyes every time I remember standing on the lawn of the capitol and having the world being able to hear her sing one of the most beautiful songs that there is glorifying our NATION and our FLAG ! I will be FOREVER GRATEFUL. —Margy, Gold Star Mother

There are no words exactly but the darndest thing , I can't stop talking to people about [the Rally]. I watch the videos over and over, I share my experiences and interactions with everyone I know. Yesterday the organization that I am involved in put on a golf tournament with over 200 golfers attending. I had a chance to talk with each and every one of them. Without exception, they LOVED everything about what MFA is doing. I am proud to stand among you. And I am grateful that my daughter Kelsey had a chance to share her heart about her brother Kyle and her desire to raise up her "warrior kids" with the principles and beliefs that our country was founded upon. —Leslie, Gold Star Mother

The Story Behind the Picture

Gold Star Mom, Amanda Jacobs, was sitting in her seat at the President's Salute to America 4th of July celebration when she heard a shout from the crowded seats above the stage. She thought she heard her name but dismissed it until she heard it twice more. Looking up into the crowd she saw a young man waving at her. "Are you Amanda Jacobs?" the man shouted. "Are you Levy's mom?" Amanda was stunned as she nodded yes and the man pushed his way through the crowded seats to meet her. "I served with your son," he said when he finally reached her. The tear-filled embrace that followed was captured and immortalized in memory of **Lance Cpl. Christopher Jacob Levy** and two people who loved him who just happened to be in the same place on a very special day.

Thank You!

We want to thank all those who so generously contributed to make Gold Star Week and the Rally for Freedom possible. It is very expensive to hold an event in Washington D.C. and you are the reason we were able to give these families a voice and a week they will never forget. Thank You!

A Capital Surprise!

Jon Voight surprised us with a special night in the Capitol. He invited us to dinner at the Kennedy Center Terrace followed by tickets to see Hello Dolly in the President's Box with none other than Kellyanne Conway. Just another example of Jon's genuine nature and sincere kindness.

What Else Have We Been Up To?

We're Growing!

Illinois Moms for America!

The week before Gold Star Week was a very exciting one as we officially launched our Illinois Moms for America Team! Debbie Kraulidis, who serves on our Executive Board, led the charge. Debbie is an Illinois resident. In addition to serving with Moms for America Debbie is the Chief of Staff for one of Illinois State Reps. She is also our Director of Production and Events, taking her 30+ years of experience in TV and Event Production to a new level—giving moms a powerful voice to impact our culture.

75 women from around the state attended the Kick-off event on June 27th. Dawn Damiani was named the Illinois State Liaison and they are already moving and shaking things in the IL Capitol and communities across the state.

Illinois is now the 8th official Moms for America State Network and Texas is will soon be number 9. Moms for America now has State Liaisons in Illinois, Texas, Nebraska, Washington, New York, Alabama, Maryland, Indiana, Florida, and soon to be Ohio and Pennsylvania! Everywhere we go we are greeted by excited moms, thrilled to have a community to connect with and platform to launch from. You can be sure you'll hear them loud and clear in the 2020 Election and beyond!

MORE MomLinks!

MomLink Groups are popping up all over the country and we couldn't be more excited!

MomLinks are our local groups of like-minded moms who want to encourage each other while learning and promoting truth and liberty in their homes, families and communities. Our goal is to equip moms with the tools they need to promote a love of liberty in the home and empower them to take an active role in preserving our Republic and healing America from the inside out.

We now have four different MomLink Groups for moms to choose from: MomiU—with working moms and Moms of preschoolers in mind; MomReads—our Book Club; Family Lobby—engaging the whole family in a co-op experience; and our signature program the Cottage Meeting Project.

We have active MomLink Groups in 27 states with more moms starting groups each month.

Left: Moms for America President, Kimberly Fletcher, meets with Laura Vanderhoven, our Cottage Meeting Hostess in Midland, TX. Laura launched the first Spanish-speaking Cottage Meeting in May and is already having phenomenal success changing hearts and minds among the Spanish-speaking women in her community.

Right: Debbie Kraulidis and Kimberly Fletcher with Beth Parlato. Beth is a Fox News Contributor and part of our **Moms for America New York** Leadership Team. Beth is stepping down in her MFA position but we are totally okay with it because she's stepping down to run for U.S. Congress! We can't wait to see this firebrand in the halls of House of Representatives. Look out AOC!

Moms for America Releases Pledge Video

In June **Moms for America** released a powerful video with several moms promoting Life and Liberty for all through the Pledge of Allegiance.

We recognize the self-evident truths and inherent rights of life, liberty, and the pursuit of happiness outlined in the Declaration of Independence, protected through the Constitution of the United States, and represented in the Pledge of Allegiance---first among these being life!

*"How can the 'Dream' survive if we murder the children?"
~Martin Luther King Jr.*

MomVote

Moms for America launched *Operation Mom Vote* to engage moms in the voting process. Mom Vote is a powerful educational resource helping women and their children understand how the electoral process works both nationally and locally and how we can maximize the power of our voice through our vote. We tested MomVote in the 2018 election. In all five Congressional districts where we focused our messaging the conservative candidate won.

In June we partnered with several organizations to maximize the impact of our MomVote initiative. The groups include Redeem the Vote, iVoter, Salt & Light Council, and United in Purpose.

The impact of MomVote in the 2020 election will be evident as an army of conservative moms head to the polls to vote their values of Life, Liberty and Family on Election Day!

Did you know the majority of conservative women in America not only don't vote they aren't even registered to vote?

Moms for America, I'm so admiring of what you're doing. Its really unbelievable. I know that you're going to make a big difference so keep doing what you're doing. We need you so badly at this time in the history of the country. You guys are the ones that know what this country needs and the way its supposed to function better than any other group I've ever been a part of.
